13. No litter to be left in the swim whatsoever. Discarded bait and litter encourages vermin. Use bin provided.
14. Any problems regarding the fish or fishery to be reported to the fishery staff.
15. Please do not damage the trees or shrubs. Treat your neighbours with respect.
16. An independent angler must witness carp of the week.
17. No fixed leads of any description.
18. All aspects of the rules are at the sole discretion of the fishery staff.
19. No responsibility will be accepted for loss, damage or injury however caused.

If there is an infringement of the above regulations you may be asked to leave the fishery. No refund will be given. The management cannot accept responsibility for any loss or injury sustained while using this facility.

Please make sure all rigs are safe and not fixed, all rigs must be free running to ensure the quality of the fish & fishing

Long Island Lake

A well-established lake, stocked with 12 species including Carp into double figures, along with quality Roach, Rudd, Bream and Tench.

All methods work on this lake and margin fishing can be the most prolific.

Mixed catches of 50lb are common and the lake record stands at 156lb.

This lake has 35 well spaced pegs.

Moorland Lake

This lake is our specimen lake.

Recently stocked with Common and Mirror Carp up to 26lb and Tench to 4lb.

Shallow pegs produce well in the warmer months, but all baits fished close in will score.
